2022- 2025

PROJECT OVERVIEW

Fermoy GAA Club has a membership of almost 1000 girls, boys, ladies and men. From age 6 years upwards members play camogie, football and hurling and benefit from being part of this community supported, vibrant club.

Our main base is Fitzgerald Park and we are fortunate and extremely grateful to also have access to St. Colman's pitches.

We have completed Phase 1 & 2 - An All Weather 4G Training Pitch and renovated our Clubhouse. In 2025 we will be moving on to extend and develop our 2nd pitch, build our new Club pavilion and create 100 new car parking spaces.

These facilities are needed to help us cater for a growing, enthusiastic membership base. We will be investing from our own funds and we are very lucky to have substantial funding in place.

Let's work together to develop the facilities for Fermoy GAA which will be of lasting benefit to our club, its diverse members and the greater local community of Fermoy.
